## Logline

*This story is about learning to accept the death of someone important to yourself, and trying to face up to reality, move to the future.*

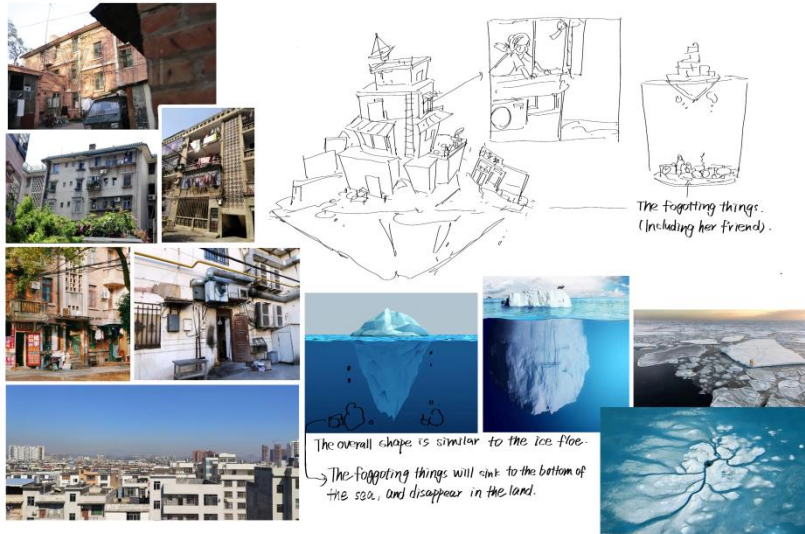

# CHARACTER DESIGN.

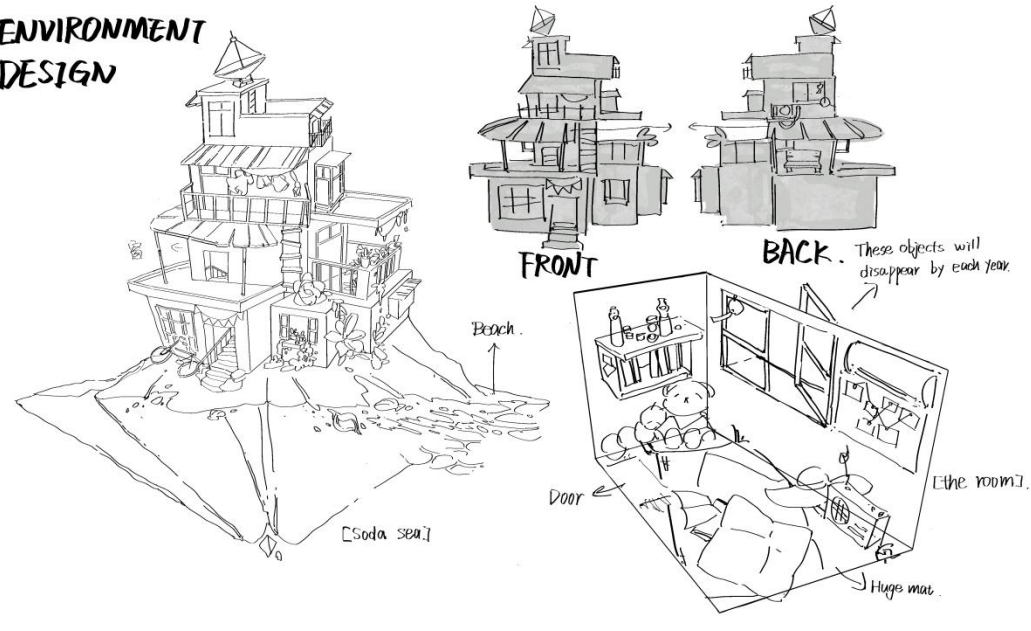

## Synopsis

*It's a story of a girl who is traumatized by the death of her friend and indulges in a world of her own fantasy. In the end, she steps out of her fantasy, and faces reality in the process of self-healing.*

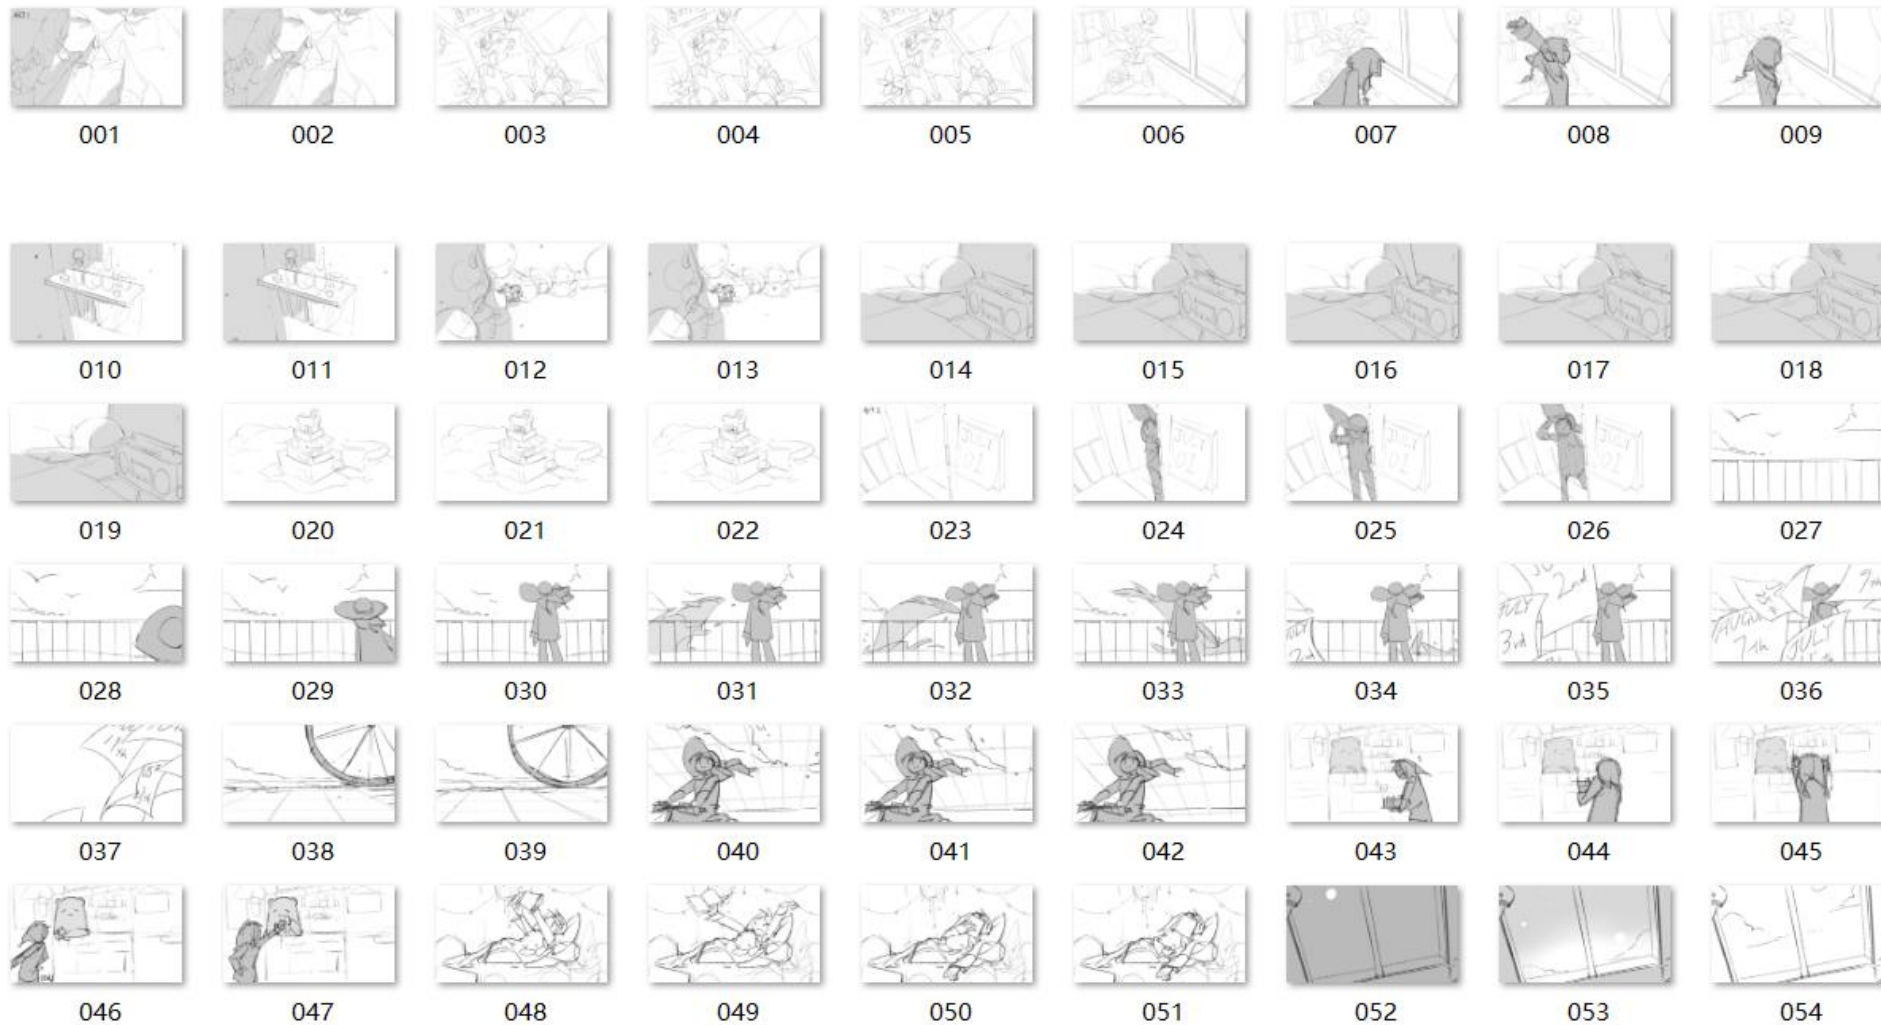

## REFERENCE & SETTINGS.

## ENVIRONMENT DESIGN

# Part of my storyboard

# Mood board & Research

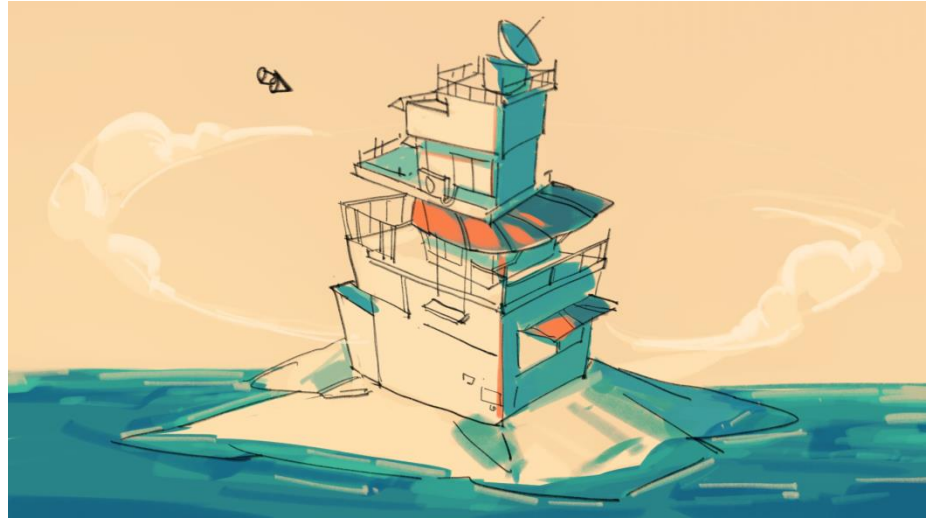

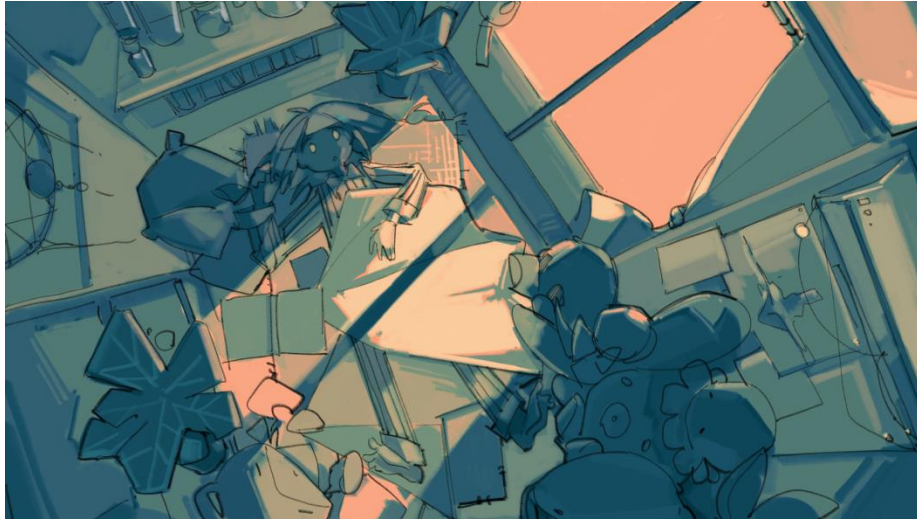

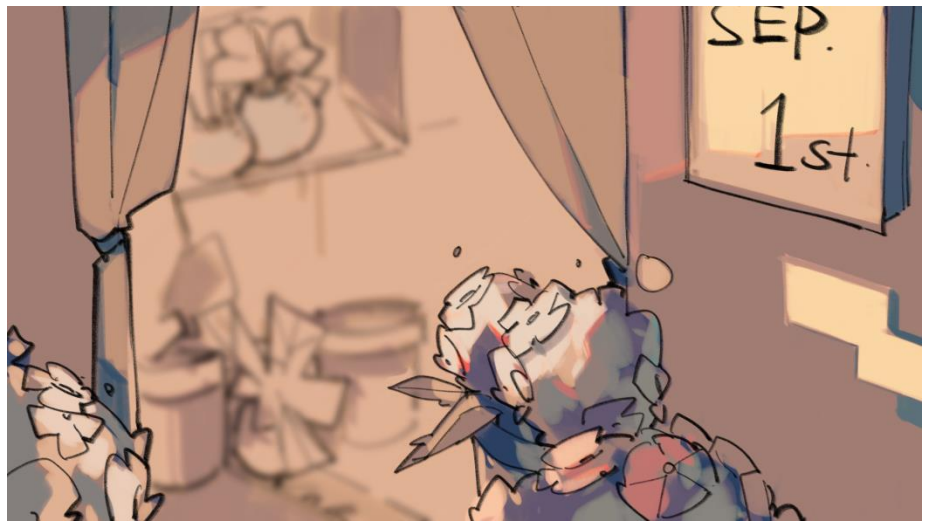

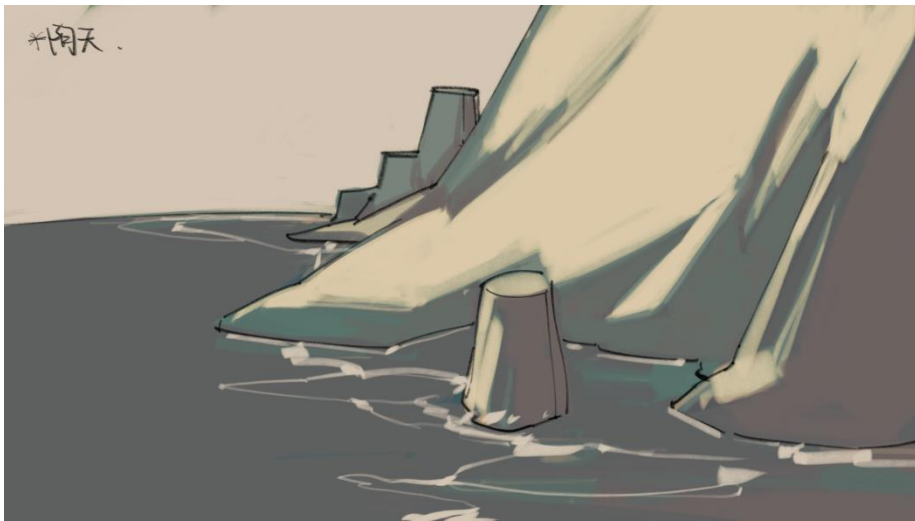

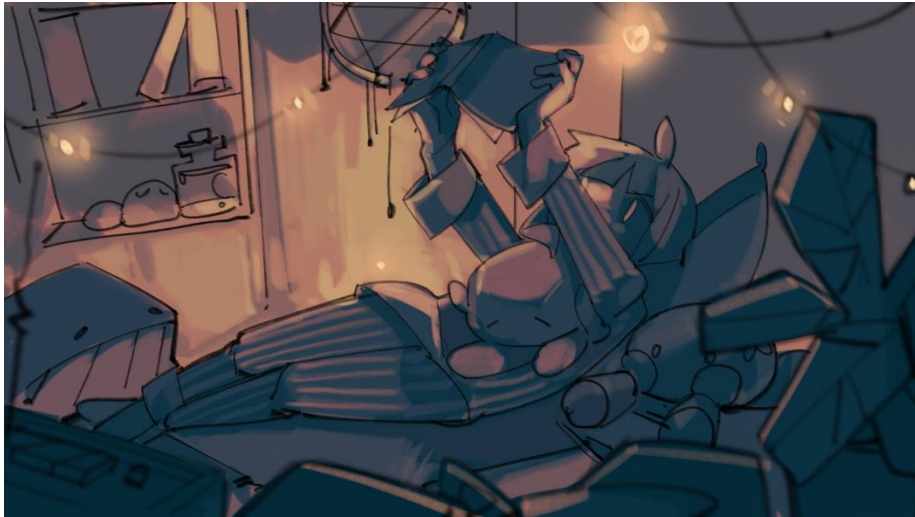

These are my stylistic references for the work. I wanted to present my story with simple lines and memorable colors that are harmonious and representative of the mood.

# Development1-The determination of color and overall style

## Development2-The test of sound treatment
